

CABINET MAKER:

OUR PROVEN PROCESS

1 MEASURE HOME

Experienced cabinetry design specialist will visit your home to measure your space and begin brainstorming options.

2 CREATE DESIGNS

The design team will create various plans based on your preferences, space and budget. Our goal is to work with you to create the design of your dreams.

3 FINALIZE DESIGN

Now's the time to review and select your final design. With this in place, we can move on to specific cabinet and countertop choices.

4 SELECT CABINETS

You'll choose all cabinetry specifics at this time including color, door style, hardware and any unique features and functions. Detailed cabinet pricing can also be provided at this time.

5 SELECT COUNTERTOPS

Every stone and style is here - granite, quartz, marble, quartzite, porcelain. We're also here to help you make the right choice based on your desired look and budget.

6 PLANNING VISIT

Your cabinetry design and installation team will visit your home to create a plan for tear out, plumbing, appliances and other variables. They'll also work through new cabinet installation details.

7 ORDER CABINETS

With financing in place or full payment received, your cabinets will be ordered. IMPORTANT: We offer excellent 6- to 12-month 0% financing to qualified buyers. Please ask!

8 INSPECT CABINETS

This important quality control step includes inspecting all cabinet elements before installation.

9 INSTALL CABINETS

All base cabinets will be installed first to quickly restore plumbing and create a template for your new stone countertop. We'll then complete all cabinetry installation including hardware.

10 EXPECT COUNTERTOPS

With your countertop template now created, your new countertops will be ready soon.
