

12 WAYS WE DO IT BETTER.

Sometimes just one right choice can change everything for the better. When it comes to adding the beauty and longevity of stone to your home, there's no better choice than Hard Rock Stone Works.

1. WE'RE BIG ENOUGH TO STAND BEHIND OUR WORK AND SMALL ENOUGH TO CARE. Smaller stone providers just can't compete with our services, selection, warranties, artistry, craftsmanship and buying power. Likewise, larger home improvement retailers are too big to be personal and can't offer our level of stone knowledge and customization.

2. MICHIGAN'S LARGEST COLLECTION FROM STANDARDS TO ONE-OF-A-KIND EXOTICS. Every stone, every style, every budget – in-stock and ready to fabricate to your specifications. See for yourself at our Hard Rock Stone Works' warehouse in Sterling Heights.

3. PREMIUM STONE QUALITY IS OUR STANDARD. Our reputation depends on the quality of our stone which is why we never compromise on lower-grade raw materials. Often times we'll hear customers say, "Granite is granite, I can buy this anywhere." Not true. Premium quality raw materials will perform better now and years from now. Plus, fabricating widens the divide (see below).

4. ONE-OF-A-KIND FABRICATING. It starts with premium-graded stone (yes, raw materials matter), followed by high-performance proprietary sealers, protectants and processes (Hard Rock exclusives), followed by masterful cutting and styling using state-of-the-art tools with skilled stone masters. The result is a uniquely beautiful, long-lasting Hard Rock Stone Works stone countertop – Michigan's top choice for granite, quartz, marble, quartzite and porcelain.

5. HIGHLY EXPERIENCED, CARING TEAM. Here again we shine with an experienced, reliable, creative and caring team. This is no accident; we recruit, reward and retain the best team to be Michigan's leading choice for stone in home and a nationally recognized commercial stone provider.

6. ABLE TO DELIVER "STONE IN HOME" FASTER. Our massive in-stock selection and efficient, experienced team lets us move more quickly and with greater efficiency.

7. AFTER INSTALLATION, WE'RE STILL HERE FOR YOU.

We're here to help you keep your stone as beautiful as the day it was installed with innovative products such as Chip Minimizer and our Stone Defender Maintenance Plan featuring our professional-grade stone care products, in-home professional cleaning and lifetime warranties.

8. TOTAL SOLUTION FOR DESIGN, CABINETS AND STONE.

It could be as simple as design advice – we proudly offer professional design services at no cost to you. Or, as comprehensive as a brilliant redesign including both cabinetry and stone. Our Cabinet Showroom in Troy is a stunning showcase of our capabilities and our custom cabinet lines including KraftMaid, Koch, Pioneer, Smart and Wellborn.

9. ZERO% FINANCING. Choose from 6 or 12 months for qualified buyers.

10. HIGHEST CUSTOMER SATISFACTION RATINGS.

Unedited, unfiltered, read the same reviews we read, and you'll hear first-hand why we're the best choice.
